

Our diving centre is located directly on the beach of Three Corners Fayrouz Plaza hotel.

To make your holidays as convenient as possible, you will find some information about our diving centre.

We offer several diving options:

- Our house reef, which is easily accessible via a jetty, offers varied dives on a fringing reef with steep walls in the entrance. The reef extends both north and south and is home to beautiful corals. If the reef is closed due to strong winds, we offer alternative options so you can still dive.
- Shore diving by bus (between 20-55 minutes' drive).  
The half-day trips take place once a day and includes 2 dives. Every site has something special to offer, from a great entrance through a canyon to a sighting of the famous dugong or giant turtles. Some locations may require an entrance fee as certain areas of the beach are private. You can find information about this at our centre and the corresponding dive site.
- Full day boat trips (bus 5-50 minutes' drive + 20-50 minutes boat).  
The excursions include Trombi, Shaab Abu Dabab, Abu Sail, Dolphinhouse (Shaab Samadai) and Elphinstone Reef (only for Advanced Open Water divers or equivalent and at least 50 logged dives). On these tours we usually do 2 or 3 dives. If luck is on your side, you can dolphins at Dolphin house or meet sharks at Elphinstone.  
On our boat tours we offer you a delicious lunch, which you can enjoy for a small additional charge.

You can plan and combine all your dives according to your wishes. Whether you want to explore the house reef, take a minibus to another dive site or prefer a boat trip, make your holidays an unforgettable experience.

## **Check-In**

We need from you dive certification, logbook, (copy) passport and medical statement ( if there are no health issues, a questionnaire can be filled out.

Your first dive with us is a check dive, which you can do either daily on our house reef or on certain trips.

If you have not dived with at our centre within the last year, a check dive is required.

Divers with more than 25 logged dives can dive independently with a buddy after the check dive. Please don't forget your SMB.

Divers with less than 25 logged dives must be accompanied by one of our guides.

- You can rent all the equipment from us: the fee is calculated per diving day.
- Our aluminium tanks have a DIN connection (adapter for INT available).
- We offer 'nitrox 32' free of charge for all certified nitrox divers.
- Our team consists of qualified SSI instructors and guides. We offer a wide range of SSI courses that take place in our quiet lagoon and at our house reef. Most of our team speak English and German, some also speak French or Italian.
