- In the interest of fairness to all divers please note that you will be charged the full price for any boat trip, if you cancel after 5.00 p.m. the day before departure.
- You will only be charged for rental equipment for the days you are using it. If you do not plan to dive, please tell us the day before so we can use the equipment for other divers - if necessary.
- We support the decompression chamber “HYPERMED” in Hurghada (25 minutes north of Makadi Bay). Through a donation of only 7 € you are insured for the duration of four weeks. In case of an accident any cost for medical treatment and up to 3 times in the chamber will be covered. If you booked a dive package in advance through any tour operator, you have to demonstrate decompression insurance or conclude it with us. We also offer decompression insurance for all technical divers. Through a donation of only 10 € you are insured for the duration of four weeks.
