

INFORMATION

Dear guests

Welcome to Extradivers Brayka Bay in Marsa Alam! ☺

Here are some important information. In case there are some questions coming up, we are happy to help at any time.

Opening hours: daily from 8.00am til 6.00pm

Diving at the housereef without a guide is possible from 8.00am (first going in) until 4.30pm (last going in).

Divers with less than 25 logged dives must always dive with a diveguide, also at the housereef.

Depth limits:

SD/JOWD: 12m

OWD/CMAS* or equivalent: 18m

AOWD/CMAS** or equivalent: 30m

DM/CMAS*** or higher: 40m (=absolute maximum depth!)

Only non-decompression dives!

It is mandatory for each diver to dive with a dive computer!

At every dive we do a safety stop of 3-5minutes on 5m.

For Elphinstone minimum 50 dives, AOWD or OWD with Deep Speciality or equivalent are mandatory.

(The final decision is from the management according to safety reasons!).

Moreover every buddy team has

to have a SMB (surface marker buoya) and an acoustic device!

For Shaab Samadai (Dolphinhouse) a guide is mandatory, because it is a national park. Snorklers must wear a life

vest! There is an entrance fee of €16,50. It is **absolutely forbidden** to swim or dive in the lagoon! **For any penalties**

the divecenter will be not responsible. You have to pay all fines.

It is not allowed at all to touch, to pet or even to sit on the seacow or any other underwater creature. Treat the whole

Underwater world with its creatures with respect! Gloves are only allowed as exception and the muck sticks are

a tool to point at things and not used as a buoyancy assistance! The management has the right to take actions in case of disrespecting these rules!

In case you have to/want to cancel a trip, it should be before 5pm at the day before!

You also should write in your name

in the list by 5pm one day in advance for the reasons of organization. **If you don't show up or you cancel too late, we**

are forced to charge you for the trip 100%.

All snorkeling trips and introduction dives have to be paid **in advance**. For all renting equipment you have to bring a deposit.
